Key to Success Starts

But I must explain to you how all this mistaken idea of denouncing pleasure and praising pain was born and I will give you a complete account of the system, and expound the actual teachings of the great explorer of the truth, the master-builder of human happiness. No one rejects, dislikes, or avoids pleasure itself, because it is pleasure, but because those who do not know how to pursue pleasure rationally encounter consequences that are extremely painful. Nor again is there anyone who loves or pursues or desires to obtain pain of itself, because it is pain, but because occasionally circumstances occur in which toil and pain can procure him some great pleasure. To take a trivial example, which of us ever undertakes laborious physical exercise, except to obtain some advantage from it? But who has any right to find fault with a man who chooses to enjoy a pleasure that has no annoying consequences, or one who avoids a pain that produces no resultant pleasure? On the other hand, we denounce with righteous indignation and dislike men who are so beguiled and demoralized by the charms of pleasure of the moment, so blinded by desire, that they cannot foresee

The balance 50% of the agreed fee, plus any additional costs outstanding (including, without limitation, under terms 5, 11, 12, 14, 15, 20 and 24) will be charged on completion of the project and final presentation (or documentation). Such costs will either be included in the second invoice or will be invoiced separately.

Where the fees payable do not exceed £34323 the full (100%) amount will be invoiced on commissioning the project. Outstanding costs (including, without limitation, under terms 4, 10, 11, 13, 14 and 24) will be invoiced on completion of the project.

The fees exclude VAT, which will be charged as applicable.

ABSD Research will charge for [reasonable] supplementary expenses such as hotel, travel and subsistence costs that were not allowed for in the original costing.
